

# *Hilarious Magician Sam Pearce*

## Production Overview

### *THE SHOW*

The **Hilarious Magic Act** is a 60-minute comedy magic show, incorporating audience volunteers.

Watch video at [canadianillusionist.com](http://canadianillusionist.com)

### *TYPICAL TIMELINE*

**Two technicians** will arrive at **2:00PM** to setup equipment. Setup is finished before doors open at **6:00PM**. **Mingle Magic** (cocktail entertainment) will begin at **6:00PM**. The 60-minute **stage show** is at **8:30PM**. Following the show, the equipment is packed up – everything will be out of the venue by **11:30PM**.

### *SUPPLIED*

#### **Audio**

Two powered speakers are setup on stands, one on each side of the stage. Our technician will operate the audio control equipment from our AV table, along the side of the room.

#### **Lighting**

Four theatrical lighting fixtures are used to light the performance area – two on each side of the stage. We'll use stands to hoist the lights up to 15' (4.7m) in the air. Nothing will touch the ceiling or walls.

#### **Curtains**

Up to 50' (15.2m) of bright blue (pipe and drape) curtains will line the back edge of the stage.

#### **Insurance**

We're covered by a \$2,000,000 liability insurance policy from HKMB HUB International. To request a Certificate of Insurance, please email [sam@ptgroup.ca](mailto:sam@ptgroup.ca) no less than five days prior to the event.

### *REQUIRED*

#### **Chairs**

Please provide four (non-folding) chairs without arm rests for use on stage, during the performance.

#### **Staging**

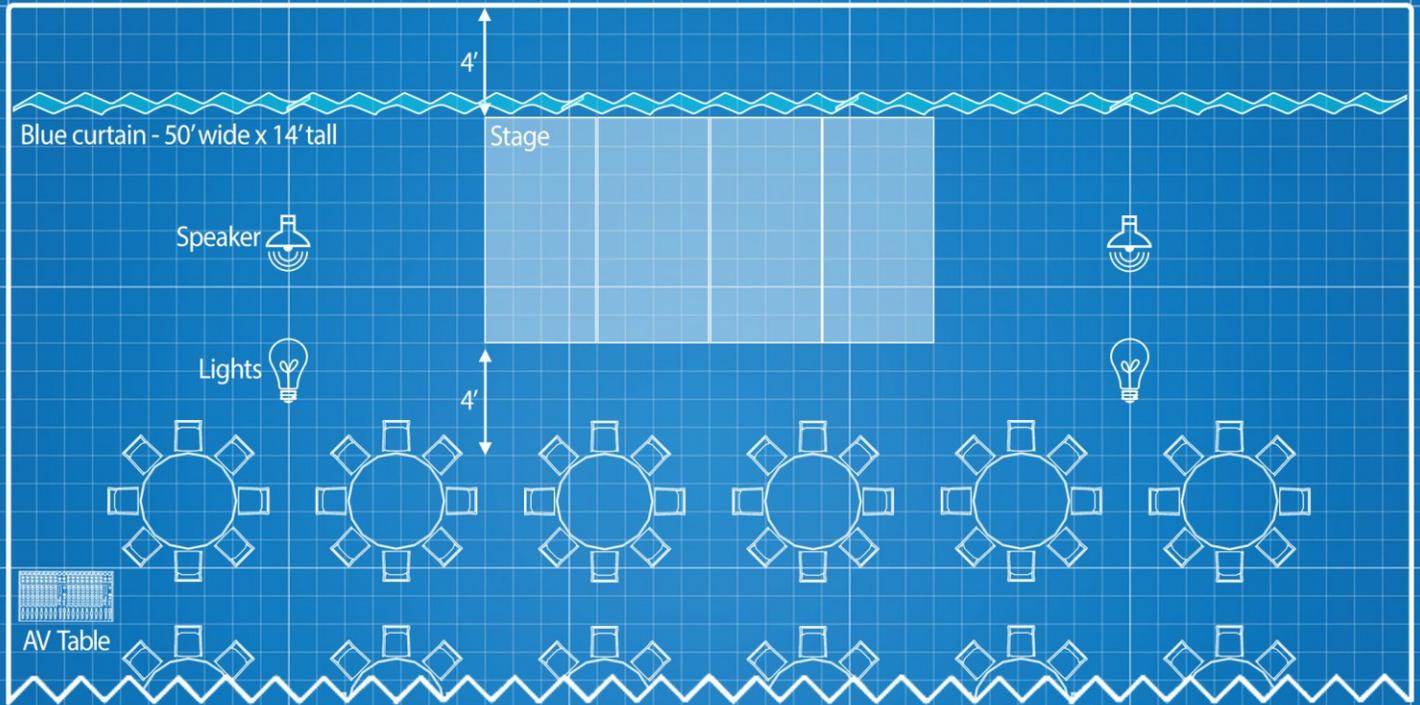

Please provide a stage at least 16' (4.9m) wide X 8' (2.4m) deep. We require at least 8' (2.4m) clearance above the stage, and a 4' (1.2m) gap between the stage and back wall.

*If the stage is taller than 12" (.3m) please provide two staircases so it can be easily accessed by guests:*

- If the stairs have railings, please place them on both sides of the stage.
- If the stairs **do not** have railings, please place one in front of the stage (centered) and one stage-right

***If this layout is not possible, please call Sam to discuss alternatives: 1-800-514-5049 [sam@ptgroup.ca](mailto:sam@ptgroup.ca)***

# Floor Plan for Magician Sam Pearce : Based on a 50' wide room with an 8' x 16' stage

*\*The position of our equipment will vary depending on the room's shape & layout*
